## [The GM Oil Life System](#)

Most GM vehicles are equipped with the GM Oil Life System. This system actually senses your vehicles speed and engine temperature and can continually monitor operating conditions. This helps to determine when it is time to change the oil.

- **LUBE OIL FILTER** prolongs engine life prevents sludge buildup
- **TIRE ROTATION** increases tire life reduces tire wear
- **ALIGN INSPECTION** prevents uneven wear of tires improves driveability
- **BRAKE SERVICE** increases pad life improves braking performance
- **SEMI ANNUAL INSP** complete vehicle inspection prevents unexpected breakdowns
- \* **INDUCTION SERVICE** cleans carbon deposits increases performance and fuel economy
- \* **TRANS FLUSH** increases transmission life improves shift quality
- \* **COOLANT SERVICE** prevents corrosion improves heater performance

\* **Lifetime Protection with BG Products**

## Collision Repair Centre

Accidents happen. Fortunately, our Collision Repair Centre can fix you up and get your vehicle back up and running in no time.

When you come in for bodywork, our expert technicians use only genuine GM Collision Parts when restoring your vehicle. Since they're the same as the parts your car rolled off the lot with, you can be sure you're getting the same quality, reliability and durability as its original equipment.

We service all makes and models of vehicles and we strive to be as environmentally friendly as possible through our use of water-based DuPont paints.

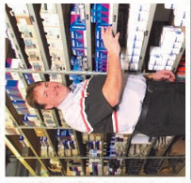

With dozens of years of experience and thousands of satisfied customers, the team at Mike Fair's Collision Repair Centre has been designated as a Direct Repair Program dealer for several of the large insurance companies in Ontario, including but not limited to: The Cooperators; Economical Insurance; State Farm; Aviva (Scottish & York, Elite, Federation, Pilot); Intact; Axa; Dominion of Canada; Gore Mutual; and Royal & Sun Alliance. Several fleet companies and car rental agencies also trust our professionalism to repair their damaged vehicles expertly and in a timely manner.

We also have a Rental Car office on site, to ensure that you have transportation while your vehicle is being repaired. No worries if a rental car is not part of your insurance coverage, as we have complimentary loaner vehicles available.

To get a quote on bodywork, or for more information on the services we can provide to our customers across Ottawa and the Valley, please contact our Collision Manager, Don Hall.

## Parts & Accessories

If you need a replacement part for your car or truck, or just want to add some bold new accessories to give your vehicle its own personality, we've got what you're looking for.

Whether we're doing repairs or customizations, we use genuine GM, AC Delco and OEM parts that are installed by our experienced, GM-certified technicians. They work on your vehicle promptly and courteously so your car can be at its best as quickly as possible. And with our computerized parts catalogue, which is updated daily, we can find the exact part you need quickly and easily.

With over 11,000 parts and pieces in stock, we're sure to have the exact item you need for your vehicle. But if by some chance we don't have the exact part you're looking for, we can get it delivered to us the same day or overnight.

Our GM parts include a 1-year warranty, including labour, if we install it, and all of our AC Delco parts come with a limited lifetime warranty. Using only GM Parts preserves the integrity of your vehicle, as GM Parts have been specifically designed and engineered to make your vehicle look and run its best. Genuine GM Accessories help enhance the design, functionality and capabilities of your GM vehicle.

## More Than Just Parts

And for those who love their GM vehicles and want to tell the world about it, our Parts Department also offers high-quality official GM merchandise such as hats, T-shirts and jackets for all seasons. Check out our great selection and ask our team about special gift ideas for the car enthusiast in your life.

For more information on all of our parts and accessories, please contact our Parts Manager, Barry Kelford.

Ever since Mike Fair came to Smiths Falls and took over the local Chevrolet Oldsmobile Geo Cadillac dealership in March 1987, he and his team have provided nothing but fair deals and outstanding service. Under Mike's direction the dealership has flourished. In 1991, the dealership moved to its present location on Highway #15.

Mike Fair is committed to building strong, long lasting relationships with all of our customers. In fact, some people originally from Eastern Ontario and now living as far away as New Brunswick and Nova Scotia still buy their cars, trucks or SUVs from us simply because they know what to expect from the team at Mike Fair and appreciate the professionalism, courtesy and amazing service they receive.

Thanks to this level of trust that has been forged between our staff and our customers, Mike Fair Chevrolet Buick GMC Cadillac has been recognized several times with various awards as one of the top GM Dealers in Ontario. These awards are a reflection of why we are known for being
